The meeting was called to order by Jim Hiller and Steve O'Connell at approximately 6:40pm.

A brief introduction/background of the SOS Coalition was given by Jim Hiller, recounting the April 27, 2006 event and the formation of the coalition and its stakeholder work group.

The group then discussed 5 specific activities to reduce crime and increase safety in our Sherman Park neighborhood. These items are identified specifically in the accompanying agenda. Specific notes were made regarding the status and intent of each item.

Upon consensus, the work group decided to pursue each of the 5 items in concert at a targeted neighbor area. The group decided to target the blocks falling within Burleigh to Locust and 54th Streets to 47th Street. This will be the first targeted blocks with the intent to moving south towards Center Street as the next phase of the targeted blocks.

The next meeting of our group, to which everyone is invited will be Wednesday, June 28, 2006 6:30-8:30pm at the Burleigh Enterprise Center, 2nd floor Community Hall.

The meeting was adjourned at approximately 8:15pm.

Respectively Submitted,
